IRVINE SURVEY, HAYS COUNTY, TEXAS, BEING A PORTION OF THE 221 DRIVE COMMERCIAL SUBDIVISION.

This item was pulled from the agenda.

H.3. DISCUSS AND CONSIDER APPROVAL OF A SALARY SCALE FOR BUDA POLICE OFFICERS

Police Chief Bo Kidd presented this item to the City Council. He stated that a salary scale, if adopted, would provide police officers with preset raises based on years of service with the department. He also said that such scales were used as a recruitment and retention tool by most of the agencies in the Buda area.

He noted that the scale being proposed called for approximately a 2 percent raise for every year an officer is employed with the department, capping out at 15 years of service. He further stated that adopting a salary scale for the department generally means that the department does not participate in whatever annual raise the City Council may choose to award to other City employees. After the presentation, Councilmember Haehn asked if the plan allowed for a variation in the annual raise based on performance. Chief Kidd stated that the plan, as presented, would not allow for any variation, and that all officers would receive the same raise as dictated by their position on the scale, regardless of performance. He also stated that the City would not be obligated to grant the scale increase in future years if the Council choose not to do so. After the discussion, Councilmember Altmiller moved to approve the item as presented.

Councilmember Montoya seconded the motion, which carried unanimously.

H.4. DELIBERATION AND POSSIBLE ACTION ON THE FIRST READING OF AN ORDINANCE LIMITING PARKING OF COMMERCIAL MOTOR VEHICLES UPON CERTAIN PUBLIC AND PRIVATE PROPERTIES.

Keven Brenamen, Manager of the Microtel Hotel adjacent to Cabela's, stated that he was in support of an ordinance limiting overnight parking of 18 wheelers in commercial areas. However, he stated that a significant number of his customers parked their vehicles in the Cabela's parking lot while sleeping at the hotel, and an exception should be provided for truck drivers who are staying in local hotels vs. those who sleep in their rigs.

Chance Sparks, Director of Planning, presented this item to the City Council. He stated that prior to the meeting, Councilmember Haehn had presented staff with a revised ordinance. He further stated that staff had not had sufficient time to review the ordinance revisions proposed by Councilmember Haehn, and therefore requested that Council table this item so that staff could analyze the proposed changes and return at a future meeting to discuss this item with the proposed amendments included. Councilmember Haehn then moved to table this item. Mayor Pro Tem Lane seconded the motion, which carried unanimously.

H.5. DELIBERATION AND POSSIBLE ACTION ON THE SECOND READING OF AN ORDINANCE PROHIBITING OVERNIGHT PARKING OF COMMERCIAL MOTOR VEHICLES AND CAMPERS UPON PRIVATE PROPERTY.

Chance Sparks, Director of Planning, presented this item to the City Council. He stated that the Council should consider tabling this item, since it could potentially conflict with item H.4 if Council chose to adopt it at a future meeting. Councilmember Montoya then moved to table the item. Councilmember Haehn seconded the motion, which carried unanimously.
