Experiences

It has been my privilege to serve several volunteer boards since retirement as president, chairman of the board, committee chairman and board member. I also served as a Silver Hair Legislator.

The following are paid employment positions I have held:

Consultant

Was as a member of a consulting team that evaluated Career and Technology Education (K-12) and prepared recommendations for implementation for several Texas school districts.

Senior Director, Career and Technology Education, Texas Education Agency, Austin, Texas

Directed state agency staff of 33 in funding, curriculum development, professional development, youth leadership organizations and program administration for Agricultural Science and Technology, Business Education, Family and Consumer Sciences, Health Science Technology, Marketing Education, Technology Education and Trade and Industrial Education. Administered \$6+ million budget and served 788,000 students in public and charter schools across the state enrolled in career and technology education programs.

School-to-Careers Director, Texas Education Agency, Austin, Texas

Developed grant applications, deliverables and evaluation for the implementation of federal education grants received under the School-to-Work Opportunities Act. Wrote, administered and evaluated grants for federal funds.

Executive Director, Texas Industrial Vocational Association, Austin, Texas

Directed the day-to-day operations of the statewide professional teachers association for trade and industrial teachers. Wrote legislation, lobbied legislation at both state and national levels, organized membership campaigns, wrote newsletters and provided fiscal management to organization; provided fiscal management, planned conferences and wrote newsletters for two related career and technology education youth organizations.

Special Projects Director, Texas Classroom Teachers Association, Austin, Texas

Had primary responsibility for the state convention, writing publications, contributing to grant proposal preparation by writing some sections and proofreading, purchasing and computer software and hardware and other projects that did not fit in any of the departments.

Education

Bachelor of Business Administration, Texas Wesleyan University, Fort Worth, Texas

Post Bachelor work toward Master of Business Administration, The University of Texas at Austin, Texas

Retired since August 2002
