

SERVICE PLAN CITY OF BUDA, TEXAS

SERVICE PLAN FOR ANNEXATION OF +/- 36 ACRES

Upon annexation of the area identified herein and as more particularly identified in Exhibit A, the City of Buda will provide City services utilizing methods by which it extends services to any other equivalent area of the City.

SERVICES PROVIDED BY THE EFFECTIVE DATE OF ANNEXATION

As used in this plan, the term "services provided" includes having services provided by any method or means by which the City may extend municipal services to any other area of the City with like topography, land use and population density as those found within the newly annexed areas, including the City's infrastructure extension policies and developer or property owner participation in accordance with applicable city ordinances.

1. **Police Protection**

The City of Buda and Hays County, Texas will provide law enforcement services to newly annexed areas at the same or similar level of service now being provided to other areas of the City with like topography, land use and population density as those found within the newly annexed areas.

2. **Fire Protection and Emergency Medical Services**

The Hays County Emergency Services District # 8 will continue to provide fire protection to newly annexed areas at the same or similar level of service now being provided to other areas of the City, with like topography, land use and population density as those found within the newly annexed areas.

The Hays County Emergency Services District # 2 will continue to provide EMS services to newly annexed areas at the same or similar level of service now being provided to other areas of the City, with like topography, land use and population density as those found within the newly annexed areas.

3. **Maintenance of Water and Wastewater Facilities**

The annexation area is currently in the water service areas of the City of Buda (Buda). Buda's system and all existing water facilities will continue to be owned and maintained by Buda. Water facility extensions within the Buda service area shall be in accordance with the rules and policies of Buda.

All wastewater facilities owned or maintained by the City of Buda at the time of the proposed annexation shall continue to be maintained by the City of Buda. All water and wastewater facilities which may be acquired subsequent to the annexation of the proposed areas shall be maintained by the City of Buda to the extent of its ownership. The now existing water and wastewater mains at existing locations shall be available for the point of use extension based upon the City of Buda standard extension policy now existing or as may be amended. On-site sewerage systems may be maintained in accordance with the City's Code of Ordinances, and all applicable state and county standards.

4. **Solid Waste Collection**

Solid waste collection will be provided to citizens in the newly annexed areas at the same or similar level of service now being provided to other areas of the City with like topography, land use and density as those found within the newly annexed areas. The City may negotiate with annexed areas to allow continued services with an existing solid waste management provider. After the second

anniversary of the annexation date, the City will impose fees and provide the service.

If areas with private roads and/or gates are arranged so that garbage may be collected without creating a safety hazard, the City, at its discretion, may collect the garbage provided proper indemnification is received from the community association or individual property owners. The City will then impose fees and provide the service. Garbage collection locations shall be subject to the approval of the Sanitation Manager. In the event the City does not collect garbage within the areas with private roads and/or gates, residents of these areas will not be billed for service after the two-year date.

5. **Maintenance of Roads and Streets**

Any and all public roads, streets or alleyways shall be maintained to the same degree and extent that other public roads, streets, and alleyways are maintained in areas of the City with like topography, land use and density as those found within the newly annexed areas. Private roads will remain private and as such maintained by the owner, including a homeowners association.

6. **Maintenance of Parks, Playgrounds, and Swimming Pools**

The City of Buda, Texas is not aware of the existence of any publicly owned parks, playgrounds or swimming pools now located in the proposed areas of annexation. In the event any such parks, playgrounds, or swimming pools do exist and are public facilities, the City will maintain such areas and facilities to the extent and degree and to the same or similar level of service now being provided to other such areas and facilities within the corporate limits of the City with like topography, land use and density as those found within the newly annexed areas. Private facilities will remain under private ownership, including that of a homeowners association, and will be privately maintained by the landowner or homeowners association.

7. **Maintenance of any Publicly owned Facility, Building or Municipal Service**

The City of Buda, Texas is not aware of the existence of any publicly owned facility, building, or other municipal service now located in the proposed areas of annexation. In the event any publicly owned facility, building, or other municipal service does exist and are public facilities, the City will maintain such areas and facilities to the extent and degree and to the same or similar level of service now being provided to other such areas and facilities within the corporate limits of the City with like topography, land use and density as those found within the newly annexed areas.

8. **Other Services**

The City of Buda, Texas finds and determines that such services as planning, code enforcement, animal control, library, parks and recreation, court and general administration will be made available after the effective date of annexation at the same or similar level of service now being provided to other areas of the City with similar topography, land use and density as those found within the newly annexed areas.

CONSTRUCTION OF ANY CAPITAL IMPROVEMENTS TO BE COMPLETED WITHIN 2 ½ YEARS

Police and Fire Protection and Solid Waste Collection

The City of Buda, Texas, finds and determines it is not necessary to acquire or construct any capital improvements within 2 ½ years of the effective date of the annexation of the particular annexed areas for the purpose of providing police protection, fire protection, emergency medical services or solid waste collection. The City finds and determines that it has at the present time adequate facilities and other resources to provide the same type, kind and level of service and protection which is presently being administered to other areas already incorporated in the City of Buda, Texas with like topography, land use and population density as those found within the newly annexed areas.

2. **Water and Wastewater Facilities**

For the next 2 ½ years, the City of Buda, Texas finds and determines that there is sufficient capacity for water and wastewater to provide services to the annexed areas pursuant to the City of Buda ordinances, regulations and extension policies.

3. **Roads and Streets**

The City of Buda, Texas, finds and determines it is not necessary to acquire or construct any capital improvements within 2 ½ years of the effective date of the annexation of the particular annexed areas.

4. **Maintenance of Parks, Playgrounds, and Swimming Pools and Any Other Publicly Owned Facility, Building, or Service**

The City of Buda, Texas, finds and determines it is not necessary to acquire or construct any capital improvements within 2 ½ years of the effective date of the annexation of the particular annexed areas for the purpose of parks maintenance, playgrounds, swimming pools and other publicly owned facility, building or service.

SPECIFIC FINDINGS

The City of Buda, Texas, finds and determines that this proposed service plan will not provide any fewer services and will not provide a lower level of service in the areas being considered for annexation that were in existence in the proposed areas at the time immediately preceding the annexation process. Given the proposed annexation areas' topography, land utilization and population density, the service levels to be provided in the newly annexed areas will be equivalent to those provided to other areas of the City with similar characteristics.

TERMS

This plan shall be valid for a term of ten (10) years. Renewal of the Service Plan is at the discretion of the City of Buda.

LEVEL OF SERVICE

Nothing in this plan shall require the City to provide a uniform level of full municipal services to each area of the City, including the annexed areas, if different characteristics of topography, land use, and population density are considered a sufficient basis for providing different levels of service.

AMENDMENTS

The plan shall not be amended unless public hearings are held in accordance with Chapter 43 of the Texas Local Government Code.
