This Permit is valid for the period of one-year and shall be renewable annually. The permit holder shall apply to renew, pay renewal fee (\$65.00) and inspection fee (\$75.00) thirty days prior to the expiration date of the permit.

The Permit holder will ensure that inspection, cleaning and other maintenance of such facilities shall be conducted every 90 days or as often as needed to ensure the discharge is in compliance with the City's Wastewater ordinance (940308 sec. 4.2). The Permit holder will also ensure that all documentation required for record keeping purposes are submitted to the City's Wastewater Department.

Certification Statement:

I certify, under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted, and is to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of imprisonment for knowing violations.
